

Complements in Polish and English- compare and contrast.

Abstract

Chapter 1

The correlation between case, tense and the distribution of clausal arguments in Pesetsky and Torrego's analysis

Chapter 2

Polish data bearing on Pesetsky and Torrego's proposals

2.1 Noun and adjective complementation

2.2 The to-omission asymmetry in Polish finite clausal arguments and the (missing) że ('that')-trace effect

Chapter 3.

Conclusion
